The screenshot shows the AVG PC TuneUp application window. The title bar includes the AVG logo, "PC TuneUp®", and menu items: "Like AVG", "Settings", and "Help & Support". Below the title bar is a navigation bar with buttons for "Status & recommendations", "Optimize system", "Gain disk space", "Fix problems", "Customize Windows", and "Overview of all functions".

The main interface is divided into four columns:

- Maintain system:** Status is "Automatic". A button labeled "Start 1-Click Maintenance" is present. Text below: "Your computer will be maintained every 3 usage days when in idle mode."
- Increase performance:** Status is "Optimized". A button labeled "Show details" is present. Text below: "The performance of your computer is fully optimized."
- Fix problems:** Status is "Optimized". A button labeled "Show details" is present. Text below: "No problems were found."
- System protection:** Status is "Enabled". A button labeled "Undo changes" is present. Text below: "14 of 14 AVG PC TuneUp modules are protected."

At the bottom, there are two sections:

- PC optimization mode:** Shows three modes: "Economy" (Saving: High), "Standard", and "Turbo" (15 of 15 options).
- Optimization Status:** Shows "Completed optimizations" (100%) and "Unused potential". A progress bar is at 100%. Text: "All problems that may have been affecting system health have been processed." and "You have carried out all optimizations currently recommended." A button "To the store" is visible.
